GREETINGS FROM THE DIRECTOR:

Our Spring Concert Brochure seems to expand every year: more diversity, more options, more collaboration, and more attention to the concert-going experience. The Ohio State School of Music is blessed with a treasure trove of talent and we want to share it with you. Something is happening nearly every night of the week ... join us and share the joy, beauty, inspiration, and magic of music.

Please note:

• **Box Office Policies and Prices** – Please read box office information carefully as some of our concerts have new policies. You can always check for the latest information on our website, too – music.osu.edu

• **Parking on Campus** – Due to recent construction projects, we recommend using the Ohio Union South Garage (immediately adjacent to the Ohio Union), located a short distance south of our performance venues and accessible from both College Road and High Street. The garage is now equipped with "Pay-on-Foot" machines. Visit music.osu.edu/about/visit-us for more information.

• New School of Music Marquee – Our old Weigel Hall sign finally "bit the dust" and we are the proud owners of a new digital display at 1866 College Rd. The ever-changing marquee will help you be in the know when you're on campus.

• Musicology Lecture Series–We have enjoyed this series for many years but we're finally letting you in on the secret! Not only will you hear fascinating speakers, but also you'll have the opportunity to discuss their research with them.

I look forward to seeing you at these concerts, lectures, and recitals. Be sure to stop backstage afterwards and introduce yourself to the performers. We want to know you, what you enjoy, and any suggestions you may have for how we can make your School of Music experience the best it can be.

GET EXCITED!
