## Registration

A current registration form is available to download in PDF format at the website:

**Jefferson-Academy.org**

It should be completed and returned at least two weeks before the term starts.

Each school year, there is a non-refundable registration fee of \$40 for each student (except for students registered only for the short-term Dalcroze classes).

Returning students whose registration is received by July 15 are given priority for limited space in all classes and teaching studios. Otherwise students will be accommodated in the sequence in which their registration is received and to the extent that space is available.

## Late registration

The Jefferson @ OSU programs generally have an open admission policy. The exception is private instruction with upper level instructors. They accept only a limited number of advanced students following an interview and audition.

Students can be accepted throughout the year, provided there is space available in the desired program. The registration fee plus fees for the current quarter must be paid prior to the first scheduled lesson or class.

## Payment of fees

The fee for each program is listed at the end of its description. Tuition for each quarter is to be paid-in-full a week prior to the first day of lessons or classes. Checks, money orders, cash, or Visa/MC/Disc are accepted. A paid tuition receipt is required for class admittance, and is available, along with the student ID in the Jefferson @ OSU office Hughes Hall, Room 310.

OSU students, faculty, and staff may request a 5% discount.

## Financial Aid

Jefferson @ OSU has financial aid available during the school year for registered students whose family has a demonstrated need. An application form must be completed and returned with the specified documentation. Aid is awarded on a semester basis, with continuation of the award for the entire year being contingent on the student's demonstrated interest and participation, satisfactory attendance and progress, and the responsible discharge of financial obligations not covered by the award.
