Practice Audition Day at Ohio State
for High School Seniors

On October 19, the School of Music at The Ohio State University is presenting a special “Practice Audition Day” for senior high school students.

Students considering music as a career option may wish to take this opportunity to obtain the information needed for making some very important decisions.

Students and their parents will be able to meet Ohio State faculty and administrators, participate in master classes, have their singing or playing evaluated by faculty, and attend special sessions which include: Tips on Auditioning and Playing in Public, How to Prepare for College Music Theory, and Scholarships and Financial Aid.

Students should prepare 5-10 minutes of music. Refer to music.osu.edu for audition requirements.

Accompaniment is not needed except in voice and we will provide an accompanist for singers.

Registration
To register, complete and detach the registration form and return it to Prof. Timothy Leasure by October 12th.

Please Note: Due to the large number of students attending, we are unable to accommodate entire musical ensembles or field trips from a given high school. This day is designed for individual students considering a career in music.

All questions should be addressed to:
