

SOM GRADUATE PROGRAM ASSESSMENT FORM

Student Self-Assessment of Learning Outcomes Related to Oral Communication Skills

Instructions:

Student self-assessment of oral communication skills will take place for masters students after the final oral examination and for doctoral students after the oral portion of the candidacy examination (prior to dissertation defense) and after the oral portion of the dissertation/document defense. The student will complete the survey below, which will be distributed by the advisor at the conclusion of the oral examination. The student will return the survey to the Chair of Graduate Studies. After the Chair of Graduate Studies marks the survey as returned, all identifying information will be destroyed to ensure the anonymity of the student.

Student's name: _____

Date of Examination: _____

1. Please respond to the following statements on a continuum of “Strongly Disagree” to “Strongly Agree” (check only one box for each item):

	Strongly Disagree	Disagree	Agree	Strongly Agree
<i>In my examination, I demonstrated subject matter knowledge of content used in oral presentations</i>				
<i>In my examination, I effectively organized and articulated information to an audience of listeners</i>				
<i>In my examination, I responded to questions concisely and appropriately</i>				
<i>Based upon my program of study at OSU, I am prepared to effectively analyze and organize content I use in my oral presentations of the discipline</i>				
<i>Based upon my program of study at OSU, I am prepared to effectively articulate information about my discipline to a scholarly community</i>				
<i>Based upon my program of study at OSU, I am prepared to effectively articulate information about my discipline to a wider community</i>				
<i>Based on my program of study at OSU, I am able to respond to questions about my discipline concisely and appropriately</i>				

2. What aspects of your degree program at OSU prepared you to communicate orally about your discipline?

3. In what ways could your degree program be improved to assist you or others in the development of oral communication skills related to your discipline?

4. What is your degree program and area of concentration (e.g., M.A., music education; D.M.A., piano performance)? _____

5. Are you an international student (circle one)? Yes No
