2018 Ohio State String Teacher Workshop Parking

If you are a commuter or a participant out of town and will be parking your car on campus, please read through these instructions below. Parking at Ohio State can be challenging and expensive!

**Option A: OSU CampusParc Surface Lot Permits**
These are the cheapest on-campus parking permits and can be purchased ahead of time. Please follow the instructions below for how to purchase passes.

1. Go to osu.campusparc.com. On the top right hand corner, click “Login” and then go to “Affiliate/Visitor.”
2. If you do not already have a local account, click “Register.”
3. Create a new account. Complete your username, password, and e-mail address.
4. Complete new customer information. Includes First name, Last name, Address, Phone, and E-mail.
5. You will see a screen that gives you the option to Add New Vehicle or to Buy Permit. Click on “Buy Permit.”
6. Scroll down under Visitor Permits. You will follow 8 steps to complete your purchase.
7. All CampusParc parking permits are monitored through your license plate number. This is how parking security will know if you are parked legally or illegally.
8. Complete your order.

**OPTION B: Parking Garages**
Two parking garages are within very close walking distance from Weigel Hall (The School of Music), but rates are hourly up to $13.00 for a daily max. You may not park overnight in a garage.

1. Ohio Union South Garage - 1759 North High Street, Columbus, Ohio 43210 – Visitor parking available at all times
2. Arps Parking Garage - 1990 College Road, Columbus, Ohio 43210 – This is the closest garage to the School of Music, but is ONLY open to visitors on weekends and after 4:00 PM on weekdays. Do NOT plan to park in this garage on Monday morning.

**OPTION C (Gamble option): Off-Campus Parking**
If you are familiar with the off-campus (east of High Street) area, you may be able to find free parking on Woodruff Ave and select other streets. However, some areas are permit parking, have street cleaning select days of the week, and are not secure. Park here at your own risk.
