WHAT IS THE TRYOUT PROCESS FOR THE OHIO STATE UNIVERSITY MARCHING BAND?
Tryouts for The Ohio State University Marching Band take place over two days and consist of music and marching auditions. All students who have not previously been members of the marching band are also required to attend “Candidate Days” – the two days immediately before tryouts that are designed solely to prepare new candidates for their auditions. Tryouts are usually held between the first and second weeks of August. For information about the tryouts process and schedule, visit go.osu.edu/band-tryouts.

WHO CAN AUDITION FOR THE OHIO STATE MARCHING BAND?
Any student enrolled at any Ohio State campus, including regional campuses, who plays a brass or percussion instrument is welcome to audition. Enrollment in the marching band is also possible through Columbus-area schools that participate in the Higher Education Council of Columbus (HECC) Program; visit go.osu.edu/hecc for more information.

IF I AM A WOODWIND PLAYER, HOW CAN I BECOME A MEMBER OF THE MARCHING BAND?
Many students opt to learn a brass or percussion instrument as a secondary instrument. Any student attending Summer Sessions may sign out an instrument to practice on their own. Others interview to join the student staff, which includes office assistants, uniform and instrument managers, AV specialists, and sales managers. The student staff are full members of the band who are also paid for their work outside of normal band rehearsal and performance times.

ARE AUDITION MATERIALS AVAILABLE ONLINE?
Audition music is made available two weeks prior to tryouts to those who have registered. Instructional videos for marching auditions are available online at go.osu.edu/marching-fundamentals.

HOW CAN I PREPARE FOR TRYOUTS?
1. **Summer Sessions** are free, optional practices that take place two to three times per week from June through early August. They help both prospective and returning candidates prepare for tryouts by providing instruction in marching and music fundamentals in a fun, informal setting. Learn more at go.osu.edu/summersessions.
2. **The Ohio State University Marching Band Summer Clinic** is a multiday, immersive experience for high school students and new high school graduates that will teach some of the musical and marching skills needed for membership in the OSUMB. Visit go.osu.edu/summerclinic for registration deadlines and details.
3. **Video Feedback.** Students wishing to receive feedback on their progress in learning the marching fundamentals may email video of themselves performing the fundamentals to the band office. Our squad leaders will critique the videos and provide feedback. Contact the band office for more information.

ARE INSTRUMENTS AVAILABLE TO RENT OR BORROW?

Brass and percussion instruments are available for students enrolled in the Marching and/or Athletic Bands, and for students auditioning for the Marching Band. Marching Band students are typically assigned a practice instrument and a game instrument; Athletic Band students may sign out an instrument if they choose, but they may also use their own. Instruments are available at no cost to the students, but any repairs required beyond normal “wear and tear” must be covered by the borrower. Unfortunately, woodwind instruments are not available to rent/borrow.
